

What did you like best about the program?

the children learnt techniques how to relax and help others relax and the right to decline.

Were you happy with the customer service Ibidi Kids provided?

Natalie was very friendly and related to the children very well

Would you consider including the M.I.S.P. as an incursion again at your centre/school in the future? If not, why?

Definitely - parents and children both were complimenting the day and how much fun they had and that the children showed some techniques @ home
